Editorial

We, the Senior Class of 1953, are proud to have the honor of presenting the twenty-fourth edition of the "Whitefeather." We hope this yearbook will leave a vivid picture in your mind of the recreational life of the students as well as their scholastic achievements.

And above all, we wish to express our thanks to each and every teacher who has assisted us through our twelve years of school. They have helped to mold our personalities and cultivate our minds so that we may be commendable citizens of our country after our graduation and throughout our lives.

Our thanks also goes to the merchants in the surrounding area who have advertised in our yearbook. We realize that without their aid our yearbook would have been incomplete.

We Seniors have received much co-operation from our underclassmen, and we are very grateful for the part which they played in helping us present the 1953 "Whitefeather."

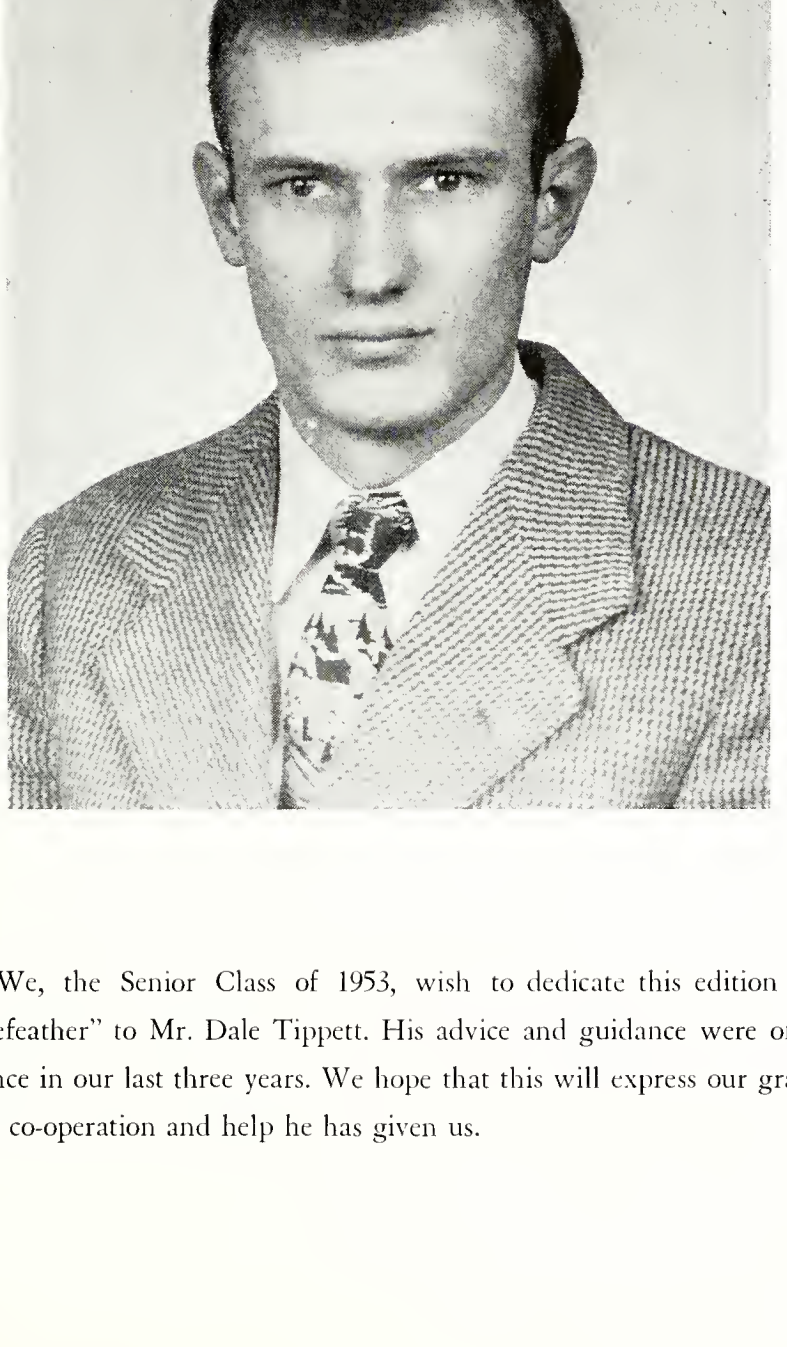
ALMA MATER

We're loyal to you, Buckland High
The red and the white is our cry,
We'll back you to stand
With the best in the land
For we know you are true
Buckland High. Rah ! Rah !
Fight on is our cry to you team,
Victory for us, it is nigh
Our team is our fame protector
They'll bring us out a victor
We're for you Buckland High.
Fling out that dear old flag of
Red and White
Bring out your sons and daughters
Fighting for right
Like men of old on giants
Placing reliance, shouting defiance
Os-key-wow-wow,
Amid the broadgreen plains that
Nourish our land,
For honest labor and for wisdom we stand
And unto thee we pledge our heart and hand,
We're loyal to you, Buckland High.

DEDICATION



We, the Senior Class of 1953, wish to dedicate this edition of the "Whitefeather" to Mr. Dale Tippett. His advice and guidance were of great assistance in our last three years. We hope that this will express our gratitude for the co-operation and help he has given us.

SENIOR CLASS HISTORY

On September 2, 1941, twenty-two eager first graders entered school for the first time. With the excellent guidance of Miss Culver we became accustomed to school and its surroundings.

After studying hard we completed eight years of our education and we were prepared to enter high school.

On September 6. 1949, twenty boys and girls entered high school as Freshmen "greenies." We elected our class officers for the year which are as follows: President, Don Lenhart; Vice-President, Larry Brincefield; Secretary, Jean Ann Walther; Treasurer, Ronnie Whetstone; Class Reporter, Marie Greber; Student Council, Max Green and Tom Morgan. We were initiated by the Seniors several weeks after school started. We enjoyed the party very much. During the year Max Green withdrew and moved to East Liberty, Ohio. With his withdrawal we now had a class of nineteeen. During the year many boys played reserve basketball and three girls were cheerleaders. We also took part in the operetta, "The Sunbonnet Girl", band and chorus. Our sponsor for this year was Mr. R. L. Leatherman.

We began our Sophomore year with nineteen students. Early in the year Marie Greber moved to Spencerville, but Darlene Smith came into our class regaining our number of nineteen. The officers for the year were as follows: President, Alice Jean Sprague; Vice-President, Ronnie Whetstone; Secretary, Darlene Smith; Treasurer, Roland Truesdale, Student Council, Edna Webb and Tom Morgan. We sponsored a box supper this year which was a great success. Mr. Pfleiderer served as our sponsor for this year.

September 4, 1951 sixteen students entered Buckland High School as Juniors. Those who were chosen to be our officers were as follows: Pesident, Don Lenhart; Vice-President, Joan Ziegenbusch; Secretary, Darlene Smith; Treasurer, Virginia Ramga; Student Advisors, Darlene Smith and Ronnie Whetstone; Mr. Dale Tippett served as sponsor for our Junior year. During the year we presented our class play "The Baby Sitter" November 2, 1951. On September 14, we sponsored a box supper which was a big success. February 4, the Juniors sponsored a skating party at the Dixie Roller Rink. We also had a dance and cookie sale to raise money for the prom. October 12, 1951, the Juniors and Seniors journeyed to Hocking Valley where we visited Old Man's Cave and Rock House. We sold magazines. A major event of the year was the annual Junior and Senior banquet held May 8. At this time the Seniors were honored guests; also during the evening everyone enjoyed a dance.

As we entered our Senior Year there were fifteen of us in all. Under the guidance and leadership of Mr. Leatherman and Mr. Tippett we made our final year in school a very successful one. Our class officers for this year were: President, Ronnie Whetstone; Vice-President, Jean Ann Walther; Secretary, Alice Fox; Treasurer, Shirley Elsass; Student Council, Ronald Martin and Mae Sawmiller. We initiated the Freshmen "Greenies" September 17, 1952. At Christmas time Joan Ziegenbusch withdrew from our class and went to California, thus leaving fourteen Seniors. On September 26, we journeyed to Pike County State Forest and spent the week-end at Pike Lake. We all had a very enjoyable and exciting trip. We sponsored a skating party October 13, at the Dixie Roller Rink. This year we sold refreshments at the ball games to raise funds for our senior trip to which we are looking forward.

Our Baccalaureate Services were held on May 17, at the Buckland Congregational Christian Church with Rev. Denlinger, serving as pastor.

On May 21, our twelve years of eager studying was climaxed by our Commencement. Ralph Beck gave the Commencement address.

During our high school days we took part in many activities. Among them were band, chorus, basketball, cheerleading, F. F. A., class plays, and many others.

Now as our school days are soon coming to an end, we will remember the many experiences we had together and they will live in our memories for a long time. Our Senior trip will probably be the last time we shall all be together. This trip will take us to Washington and New York.

CLASS PROPHECY

Time has passed swiftly and it is now September, 1963. After a busy day teaching school in a near-by grade school, my family and I settled down to an evening of watching television and our favorite program, "Red's-Round-Up." The program has just began and here comes the master of ceremonies, **Larry Brincefield.** Maybe this is the reason it is my favorite program, since Larry was a former class-mate who became quite successful in radio and television with his humor and music. Also a classmate who teamed up with Larry to reach stardom is none other than **Ronald Martin.**

The program proceeds with more jokes and music, when in comes a state patrolman to arrest "Red" for having an accident with a semi-truck. The state patrolman proved to be none other than **Roland Truesdale,** husband and father of a lovely family. The semi-truck company also was represented by their president, **Tom Morgan** who after having attended the University of Dayton had become president of the Duff Truck Line. Tom also was married and had a family.

As Larry always had a way of doing, he soothed everyone's temper and invited them to stay for the rest of the program.

Larry thought his troubles were ended for awhile until he was again interrupted by the president of Whetstone's Construction company, who had employed the trucking company whose truck Larry had damaged. The president and owner, **Ronnie Whetstone** was very angry because it had held up the construction of the apartments he was building near Wapakoneta. Upon finding his old classmates, Ronnie, too, forgot his anger and stayed to enjoy the remainder of the program.

But the owners of the apartment that was to be built were not so easily cooled down. Suddenly Larry was surrounded with talking women, yelling men and screaming children. Larry quieted them also and found them to be none other than **Alice Jean Sprague** (now Davis) and family and **Mae Sawmiller** (now Ambos) and family. Also **Carol Wagner** and her family were represented along with **Alice Fox** and husband and children. After being such close friends in school the girls found they didn't want to leave each other and were having an apartment built so they would be near each other.

After much talking by the girls, Larry got them quieted and settled down to find the president of the television program very angry and waiting to talk to him. **Virginia Ramga,** now a farmer's wife and secretary to the station, announced to Larry he was wanted in Mr. Lenhart's office immediately. I then recalled having heard **Don Lenhart** had also succeeded in TV after graduating from Toledo College.

The entire family enjoyed "Red's-Round-Up" immensely even though Larry seemed to be in very "hot water." We then stayed tuned to the station to hear the program which followed. It was "The Chic-Chat Corner," a very interesting program featuring talks by **Shirley Elsass** who had become very successful and traveled very intensively during the last ten years. Also **Darlene Smith,** a graduate of a nearby Bible School, was guest speaker tonight. After finishing Bible school, Darlene had spent five years in a nearby-by community working with young people and their problems.

So the evening came to an end, when I realized I had two little people sound asleep on my lap, and their beds were waiting upstairs. After tucking them in, I began to think back on the program I had just seen and realized I had seen all of my classmates of '53 and how successful they had been in health, wealth and happiness.

This year, 1953, is the 25th Anniversary of the Future Farmers of America and the Buckland Chapter has strived to keep the community aware of this and maintain the tradition established by former chapter members.

Jerry Tangeman was elected to the degree of State Farmer at the annual State F.F.A. Convention for his outstanding accomplishments. This year Don Lenhart will receive his State Farmer's degree.

Four members of the chapter attended F.F.A. Camp last July. Roger Place, Bill Sawmiller, Don Lenhart, and Bob Ramga were the campers.

Jim Springer was the chapter's delegate to the National Convention in Kansas City.

The chapter sponsored a booth at the Institute with the theme of the 25th Anniversary. The chapter, too, exhibited a Farm Safety Booth at the State Fair.

STUDENT COUNCIL

Seated: Patty Bowersock, Don Lenhart, Margie Bruner, Alice Jean Sprague, Mae Sawmiller, Jo Ann Kentner, Betty Keysor.

Standing: Mr. Leatherman, Bob Ramga, Ronald Martin, Tommy Davidson, Don E. Whetstone, Don L. Whetstone.

The student council is the student governing body of our school. Through the student council the student body has a voice in the way the school is run.

The student council is made up of two representatives from each of the upper four classes, one from the seventh grade, one from the eighth grade, the president, and the bailiff.

The Athletic, Chapel and Booster Club worked through the student council in planning the year's activities.

The Student Council officers this year were:

President ..... Alice Jean Sprague
Secretary ..... Mae Sawmiller
Vice-President ..... Margie Bruner
Bailiff ..... Don Lenhart
Advisor ..... Mr. Leatherman

The President of the council is elected by the whole student body, while the secretary and vice-president are elected by and from the student council, and the bailiff is elected by the student council from the student body.

BOOSTERS' CLUB

Seated: Mr. Leatherman, Barbara Tester, Alice Jean Sprague, Jim Whetstone, Roger Place, Robert O'Neal, Jean Ann Walther.

Standing: Arlene Martin, Mae Sawmiller, Carol Sprague, Alice Fox, Don Lenhart, Ronnie Whetstone, Roger Shoffstall, Linda Ramsey, Mary Ann McClintock.

The students formed a new organization at the beginning of this school year. This organization was a combination of chapel committee and teen-club which also provided an opportunity for leadership for more students. Many disagreements came up as in all organizations, but during the year many activities were held and a minstrel was given by the organization at the annual Farmer's Institute.

This organization should become a very important part of the extra-curricular activities of B.H.S. Here's hoping the students of the future use this organization for the benefit of them all.

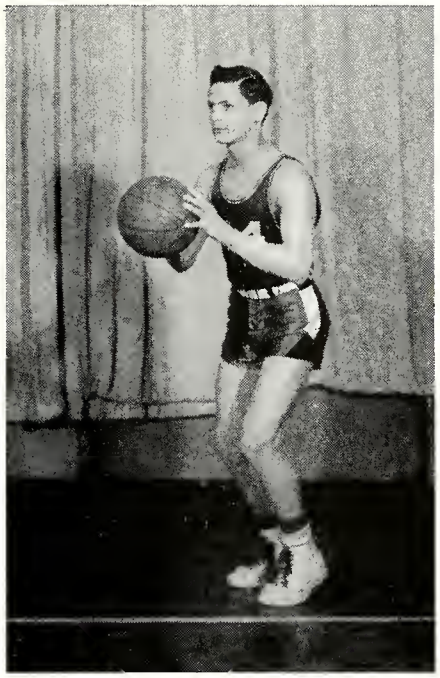
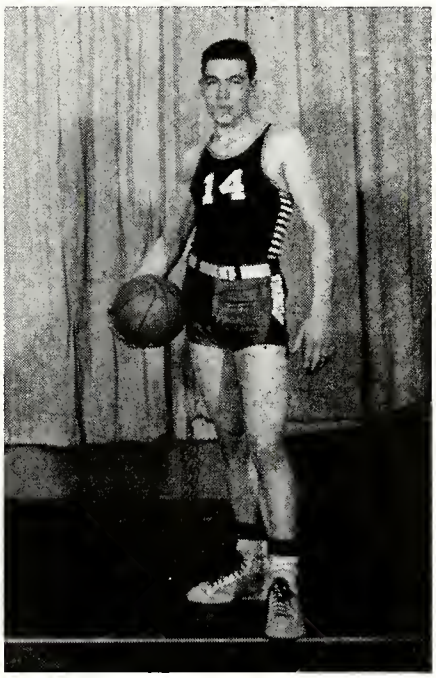
FIRST SIX

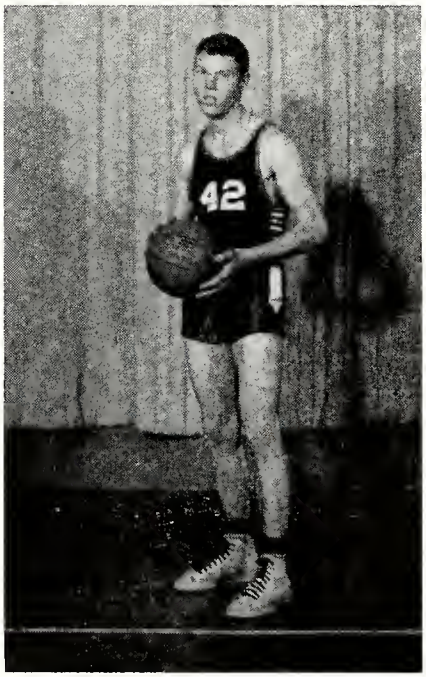


A fast and aggressive forward who never scored much, but seemed to spark when the chips were down.

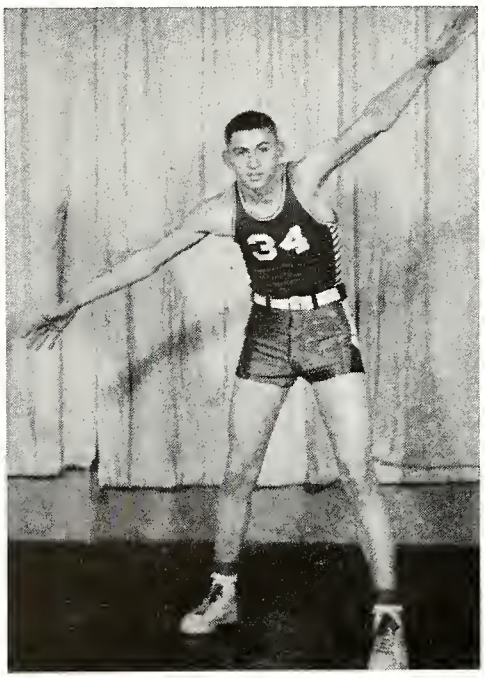


A scrappy forward who rebounded expertly and was always cool and collected when the pressure was on.

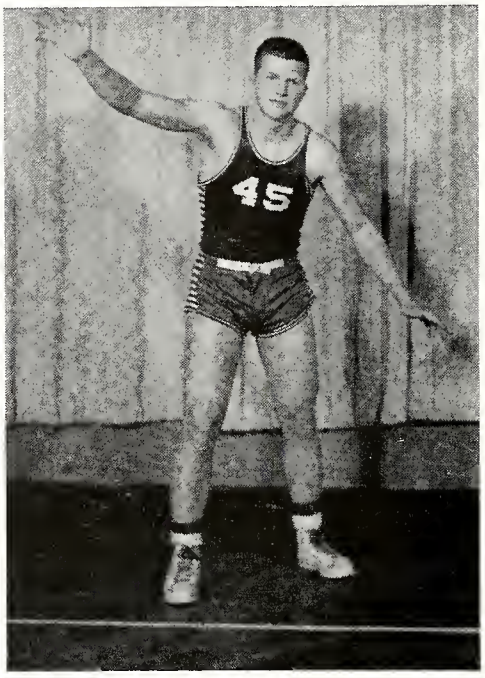
A smart ball player with a set shot which will certainly help next year's team.



A fine ball handler and a sharp looking guard who always got his share of points.



A smooth center with great co-ordination and an invincible jump shot.



A tall junior guard who always held his own under the bank-boards and should see plenty of action next year.

The Buckland Varsity, under the guidance of Lyle Warren, tied last years record by winning eight games through the season and scored 1255 points through the season while their opponents scored 1378. The Bucks sank 398 free throws and missed 331, which is a good team average of 55%. Their opponents made 382 free throws while missing 370 for 50%.

RESERVE

Standing: Bill Sawmiller, Vernie Richardson, Jim Whetstone, Bob Ramga, John Howell, Don E. Whetstone, Roger Place, Jim Sprirger, Louis Brincefield, Don Brookhart, Ronnie Place, John Eisley, Ted Sprague, Glenn Krites, Richard Brorein.

Kneeling: Coach Lyle Warren.

The Buckland Reserve squad did pretty good winning eight while losing nine. It looked as if there will be some good material coming from the reserve squad to fill in the Varsity for next year.

BASEBALL

Last spring the Buckland Bucks won their first baseball trophy. They were runners-up to New Knoxville. The Bucks then advanced to the regional at St. Henry.

This fall the Bucks lost Ron Sprague, pitcher, and Jim Morgan, second baseman, from their starting squad. Nevertheless, the Bucks showed fine ability and aggressiveness in winning four of their eight games. Two of their losses were close games and could have easily been won.

The starting lineup for the Bucks baseball team were as follows: Larry Brincefield, catcher; Tom Morgan, pitcher; Don Lenhart, first base; Ron Richardson, second base; Bill Lambert, short stop; Roger Place, third base; Lewis Brincefield, left field; Glenn Krites, center field; and Bob Ramga, right field.
